Disabilities chair report 2011:

This past year a number of coaches have communicated with me re: procedures on having disabled swimmers participate with their teams. We covered registration process, competition needs and adaptations, and access to resources at the USA website. Great Falls Peak team is anticipating some influx of special Olympics swimmers, Helena has one coming in, Butte retains one, Hardin, and MAC retains one.

No other new info from USA regarding disabilities events, etc.

Respectfully submitted
Ellen Parchen
